As affirmed by the relevant program directors. This table is reviewed on an ongoing basis, however, specific state requirements may change between review periods. Prior to enrolling in any program at Utica University, prospective students are encouraged to confirm with the appropriate certifying agency whether successful completion of any degree program at Utica University will meet the licensure/certification requirements of the state in which they intend to seek licensure/certification.

International Students: The programs listed on this page have not been evaluated for professional licensure requirements outside of the United States. Prior to enrolling in any program at Utica University, prospective students who intend to work outside the United States should confirm with the appropriate agency whether the successful completion of their intended degree program at Utica will meet the credentialing requirements of the country in which they intend to seek employment. Utica University shall not be liable if the student is unable to qualify for licensure or certification.
